JUSTICE LEAGUE

USAGE

PRINT

The calculation for sizing of the DC logo is based on 15% of the total horizontal measurement of “JUSTICE LEAGUE” without spacing between letters or the words. Take the total measurement of the width x 15% (.15) = the total width of the DC logo.

A/V

The calculation for sizing of the DC logo is based on 15% of the total horizontal measurement of “JUSTICE” added to the total horizontal measurement of “LEAGUE”, without spacing between letters. Take the total of the two horizontal measurements x 15% (.15) = the total width of the DC logo.
